Death comes—
But once in a life—
Be not afraid—
for God wants it this way—
And when it comes at an early age—
It leaves darkness throughout—
the lives of those involved.

But this must pass—
For we can't live in darkness—
All of our lives.
It hurts—
God knows it hurts—
But we must understand—
That He had a better reason for taking—
The life of a young woman.

But we still love her—
For she will always be in our hearts.

Sweet and innocent as she may have been—
She is gone—
There is nothing that can bring her back.
And this must be faced—
Now—Life can no longer go on with her.

Yes, she will remain in our hearts—
For the sweet and innocent always do.

And they are the ones—
That never perish.

Dee Douglas

For three years
Joe and I had shared
Something of a special quality.

We were friends.
One to depend on another
One to travel with the other.
We were friends.
Separated now but still close—
Memories linger of the young boy I knew;
We were friends.

Do you have the time. . .
for a cheerie hello for someone
unsure of the way. . .
Do you have the time. . .
for a bright smile contrasting
a bleak and dismal day. . .
Do you have the time. . .
to offer a bit of help
to someone in need. . .
Do you have the time. . .
for one more good deed. . .

He had the time. . .
Do you?

Aegis '68

Lincoln-Way Community High School

New Lenox, Illinois

Aegis '68 is new. It portrays life at Lincoln-Way as it happens everyday. It will help us to remember, in the future, what this year has been like; a year of a happy victory, a tragic loss. It's been a happy last year for seniors and an earthshaking new experience for freshmen. There have been exciting new places to go, and challenging new experiences to encounter. Yet everyone looks back at this year with a different focus, with different thoughts. Hopefully, Aegis '68 will help everyone remember it just a little better.

Activities

Jim Fredin has the honor of the first dance with Queen Julie.

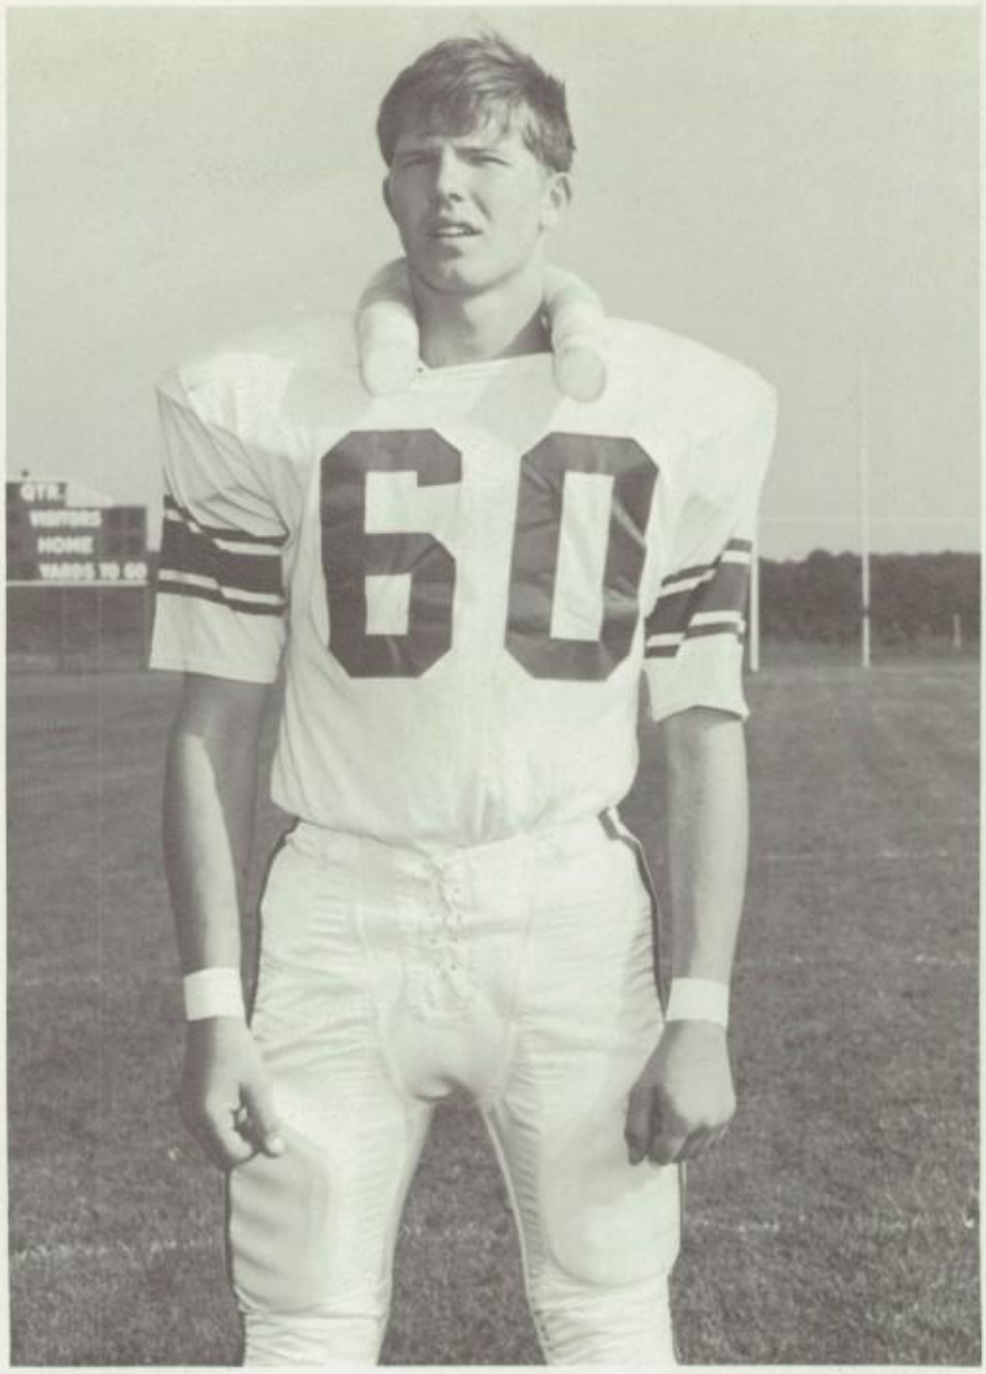
Homecoming

The climax of homecoming week is the homecoming dance, given in honor of the alumni. Reigning as queen was Julie Anderson. The court consisted of seniors, Candy Tinley, Faye Dunn, and Lori Neilis; junior, Ginger Jast; sophomore, Kristi Harl; and freshman, Diane Hossbach. This year more enthusiasm was present than ever before due to the homecoming game victory.

L-W's lovely court are l. to r. Diane Hossbach, Kristi Harl, Ginger Jast, Queen Julie Anderson, Candy Tinley, Faye Dunn, and Lori Neilis.

Mr. Touchdown

Mr. Touchdown is voted upon by the four varsity coaches. Each coach grades the senior ball-players on the following points: academic ability, school conduct, community spirit, offensive ability, and achievement. The highest scorer wins the title of Mr. Touchdown. His honors include reigning for Homecoming and having a special assembly in his honor. Mr. Touchdown of 1967-68 is John Smith.



Homecoming Bonfire

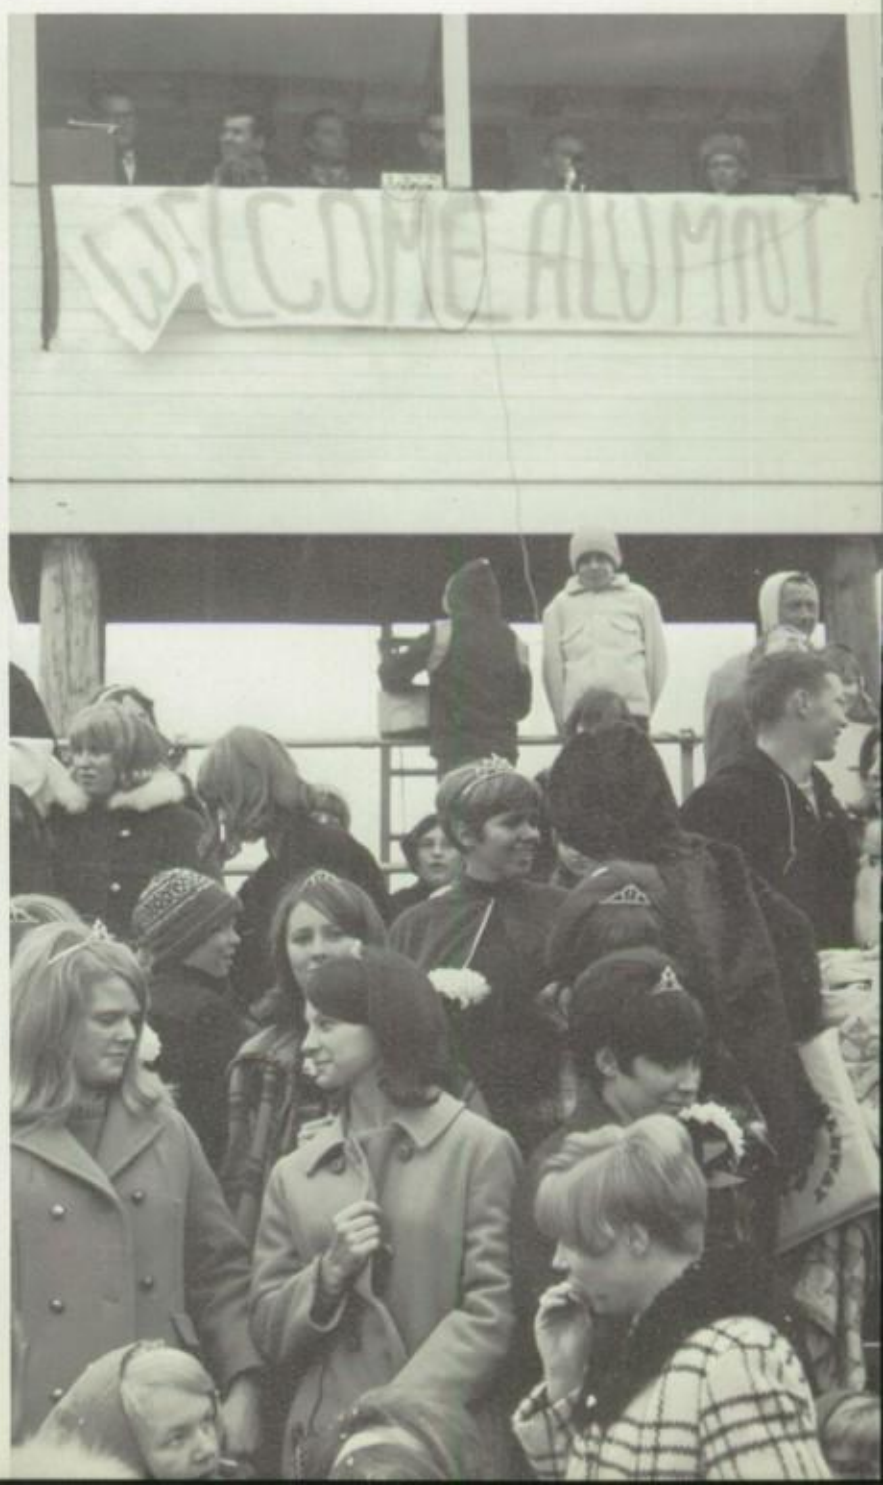
"Let's hear it gang!"

Lincoln-Way's bonfire, like Evergreen's chances, go up in smoke.

The Queen's court is presented to an attentive audience. Not even the dismal weather could put a damper on the high spirits of the crowd.

Queen Julie joins her subjects in the stands.

Halftime Activities



The Homecoming court and many eager fans filled the stands to cheer the fighting Knights on to victory.

Attendant Lori Neilis is presented to the crowd.

Jim Rheinwald and Randy Konkel enjoy refreshments with their dates.

Queen Julie looks radiant as she reigns over the dance.

Attendant Candy Tinley and her escort enjoy dancing the first dance of the evening.

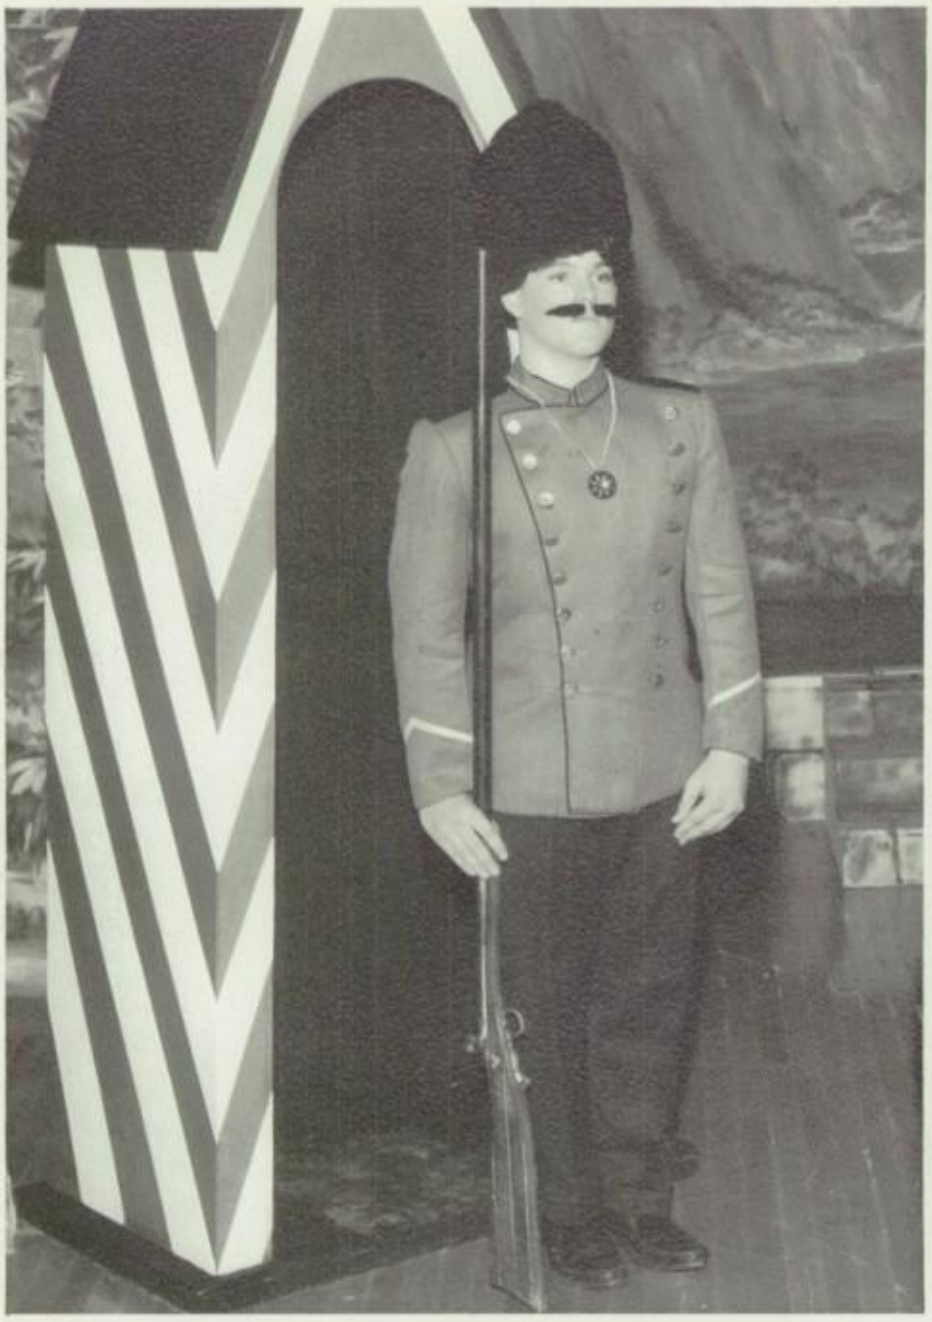
Jim Lang and Bobbi Jo Smith, in their roles as Phyllis and Strephon, have important things to discuss.

Mixed Chorus Presents: "Iolanthe".

The Lincoln-Way High School Mixed Chorus presented the Gilbert and Sullivan operetta, "Iolanthe" on November 9, 10, and 11. This was the first year for a Thursday night performance instead of the Sunday matinee. The female leads were played by Judy Kalkbrenner as Iolanthe, Barb Richardson as the Fairy Queen, Bobbi Jo Smith as Phyllis, Patsy Grisham as Celia, Pat Lauffer as Lelia, and Susan Dralle as Fleta. Male roles were played by Jim Lang as Strephon, Brad Smith as the Lord Chancellor, Skip Fitch as Private Willis, Gorden Bruce as Lord Montarrat, and Dennis Penley as Lord Tolloler. Nine of the principles were newcomers and did their parts superbly well. The chorus numbered eighty-five members and added a very substantial bit of music and color to the performance. The operetta was directed by Mr. Olson and Mr. Kummer.

Skip Fitch does not see the three friends at his side.



Skip Fitch watchfully guards his post.

Bobbi Jo Smith was clothed for her part in a period costume made of rich laces and brocades.

Brad Smith speaks with Barb Richardson, queen of the fairies.

"Now let's go through it one more time."

The Lord Chancelor presents his bride, Phyllis (Bobbi Jo Smith)

"Why look at those skirts! They're so short!" "Did you hear that new song? Wasn't it perfectly awful? And those dances! Disgraceful!"

From these comments one might think we are talking about the teenagers of the 1960's. We're not though Believe it or not, this is what was causing the lastest scandals in the 1920's!

This May the Girls' Glee presented **The Boy Friend**, a musical comedy, portraying the days of the "roaring twenties." This was the first year for the production of a play in Lincoln-Way's history.

The Girls' Glee took us back to those old days by wearing authentic costumes. The girls in "short" skirts and the boys in white flannel trousers were seen on stage. With high spirits, the girls danced the once popular Charleston as well as any flapper could have done.

The L-W dance band was in charge of portraying the music of this past generation. They set the mood for the carefree twenties. The music could be characterized as happy, stomping, and rhythmic.

Mr. Ronald Stopka, head of the Drivers Education Program, works hard to make better drivers of the students at Lincoln-Way.

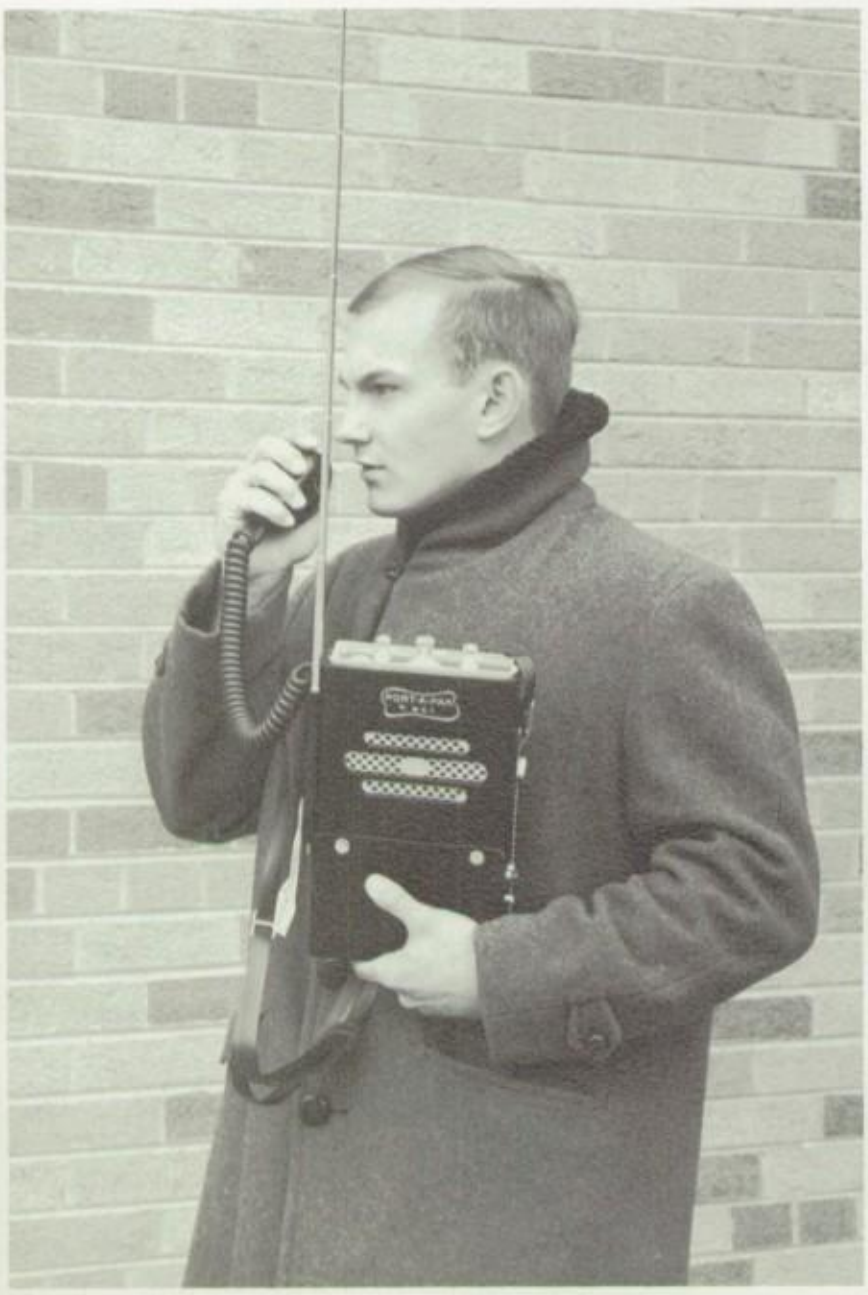
Drivers Education

The ultimate objective of Driver's Education is to provide educational experiences which will give pupils the skill, the knowledge and above all, the proper attitudes necessary for the effective and safe operation of the automobile.

The Driver's Education program is divided into two phases. The first is the classroom phase which consists of nine weeks of classroom instruction on subjects such as laws, safety features on autos, and the operation of the engine. The second phase is "behind-the-wheel" training. This consists of six hours of actual driving experience on the open road.

Lincoln-Way's Driver's Ed. program is unique because it offers a driving range program also. This was adopted because it was found that many students had no previous driving experience.

The Driver's Education Program is generally taught by student teachers. The permanent teaching staff is composed of Mr. Ronald Stopka, Mr. Robert La Zotte, and Mr. Al Willis.



Mr. John Lawson, a student P.E. teacher, uses the two way communications system with the Driver's Ed. car.

Here, students are shown being taken through the different phases of driving on the driver range on the school parking lot.

Happiness is a Christmas Assembly

On December 22 the Girls' Glee Club presented its twelfth annual Christmas Assembly for the student body in the auditorium decorated with wreaths and twin Christmas trees. Diane Veltman, the Girls' Glee Vice President, was responsible for the organization and planning of the program. Two scenes were presented depicting the meaning of Christmas for both poor and wealthy families. The chorus was featured in several appropriate concert selections including Benjamin Britten's "Ceremony of Carols." As the lights dimmed, the chorus closed the program with "Silent Night" in an illuminated "living Christmas tree" formation.

The Senior Challenge is the means by which the Senior Class provides entertainment for the student body and at the same time, raises money for the Senior Class Trip.

The first game of the evening, January 27, featured "Abes Babes" and the "Hogies." The Senior girls were upset by the Juniors in a 29-17 victory.

During half-time, the entertainment was lead by Senior members of the varsity Gymnastics team, performing on the sidehorse.

The second challenge was the Senior boys against the Faculty. Once again this year the Faculty overpowered the Seniors, 61-45, in a tough game.

Junior Girls: Miss Katzer, K. Ortegel, M. Runstead, K. Deporto, D. Bray, J. Rheinwald, M. Mutsch, D. Kruger, C. Bartos, P. Nyder, B. Tobeck, J. Rochell, C. Roland

The class of 1968 started its high school career with a "misplaced" looking Homecoming float and ended it with a first place float and a first place Christmas hall. This typifies the extraordinary class of 1968. They have gone from "misplaced" freshmen to top-notch seniors. These seniors have challenged tradition with oval class rings, a senior melo-drama, and the possibility of an overnight trip. However, they have also sponsored the traditional senior basketball game and the senior sock-hop. This year's officers are Randy Davis, President; Mickey McAndrew, Vice President; Marilyn Nolan, Treasurer; Jerri Traser, Secretary.

'69 Is An Action Class

Junior year, for many, means class rings, drivers licenses, concessions, Junior-Senior Banquet, and the Prom. Ideas begin to turn to preparation for their Senior year and college. Through the halls one hears, "Does someone have those Chemistry questions?" or "Is Math homework really due today?" or "You're going to the dance with who?" How many times did Mr. Marth sit alone in Room 120 wondering, "Where in the world are those class officers?" But the over all idea generated by the Junior class is summarized by their cheer:

We are great;
We are Fine;
We're the class of "69"!

From Left to Right the Junior class officers are: Pat Nyder-Treasurer, Maetha Mutsch-Vice President, Larry Martin-President, Joann Schonwise-Secretary.

Class Officers Provide Pep

"We Are Great, This We Know;
"We're the Class of '7-0'."

This is the cry of the sophomores at Lincoln-Way School. We are second year members of the "Knight Family" and have repeatedly proven our ability to accept the responsibilities of high school life by working at concessions at football games, working with student council, and demonstrating great school spirit. Confidence grows as experience continues. At the rate at which the class of 70 is going, we will surely reign supreme as one of the finest classes to attend Lincoln-Way.

Freshmen: A Youth-Quake at Lincoln-Way

Our first year in high school is one of discovery and the excitement of a new world. To many of us the freshman year is making new friends, joining school activities, and preparing the groundwork for the future. We are constantly reminded by the upperclassmen that we're just "nothing" freshmen. By midyear we become full-fledged high school students, not only tolerated, but wanted in every kind of activity. During this first year we become familiar with the mechanics of high school life. We set the foundation that will make our remaining years at Lincoln-Way favorable ones.

Basketball 1968

The varsity basketball team of Lincoln-Way has given the Knight Fans a superb season to remember. Led by Head Coach Al Willis, and Co-Captains Jim Fredin and Pat McCabe, the varsity roundballers displayed sportsmanship, ability and determination.

Introduction of the starting five is a tradition religiously followed on the 'hardwood' of L-W.

hat is Cross Country?

ss country is one of the most grueling, agonizing, and ...ized sports in existence. Yet, it is a personally rewarding sport providing competition for all types of boys of very body type, because there is no other sport where sheer determination, hard work, and devotion are the sole determinants of success. In cross country the greatest majority of runners are made, not born.

Promotion, in this sport is difficult, but vital. Getting boys interested in running two to four miles is not easy. Once the boys report, the personality, enthusiasm, and imagination of the coach spell the difference between good and poor squad moral which is essential to success.

Distance running begins with training. It is not possible to perform well in cross country unless every detail of training and conditioning has been taken care of.

The cross country team runs over a 1.9 mile course. The points are awarded according to the order in which the first five runners finish. The lower of the two scores wins.

Track is Bigger and Better

This year's track team is bigger and better, than it has been in the school's history. Besides regular competition, the boys entered the Oak Park and Paris Relays. Altogether they have 22 meets.

Track is under a new coaching staff this year, and the coaches are requiring the team to be in their best shape. Doug McArthur summed up the "bigger and better theme," at the beginning of the season with, "If they can't take a good work out, they better quit before they start."

Polar Bear Club

The Polar Bear Club was formed by Coach Joe Rodriguez to produce better distance runners for both the cross country and track teams. To be in the Polar Bear Club a person must meet certain requirements. There are two: (1) run 500 miles or better; (2) run these 500 miles between December 1 and March 1 which gives the club its name. This year only 4 charter members were placed into the club under the sponsor's (Coach Rodriguez) care. They were seniors: Gary Moss, and Al Parchem, junior Steve Mangun, and freshman Dave Merrick. These boys received two patches apiece which denotes that they are in the Polar Bear Club and have run over 500 miles. The boys agree that this really was a worthwhile project.

They keep scores at meets, time the matches, and keep the books up to date. Before Christmas a taffy apple sale was held. A candy sale was also held. Profits went towards new uniforms for the Wrestlers. This is the second year girls have been a part of wrestling. It was started last year by Coach Snook.

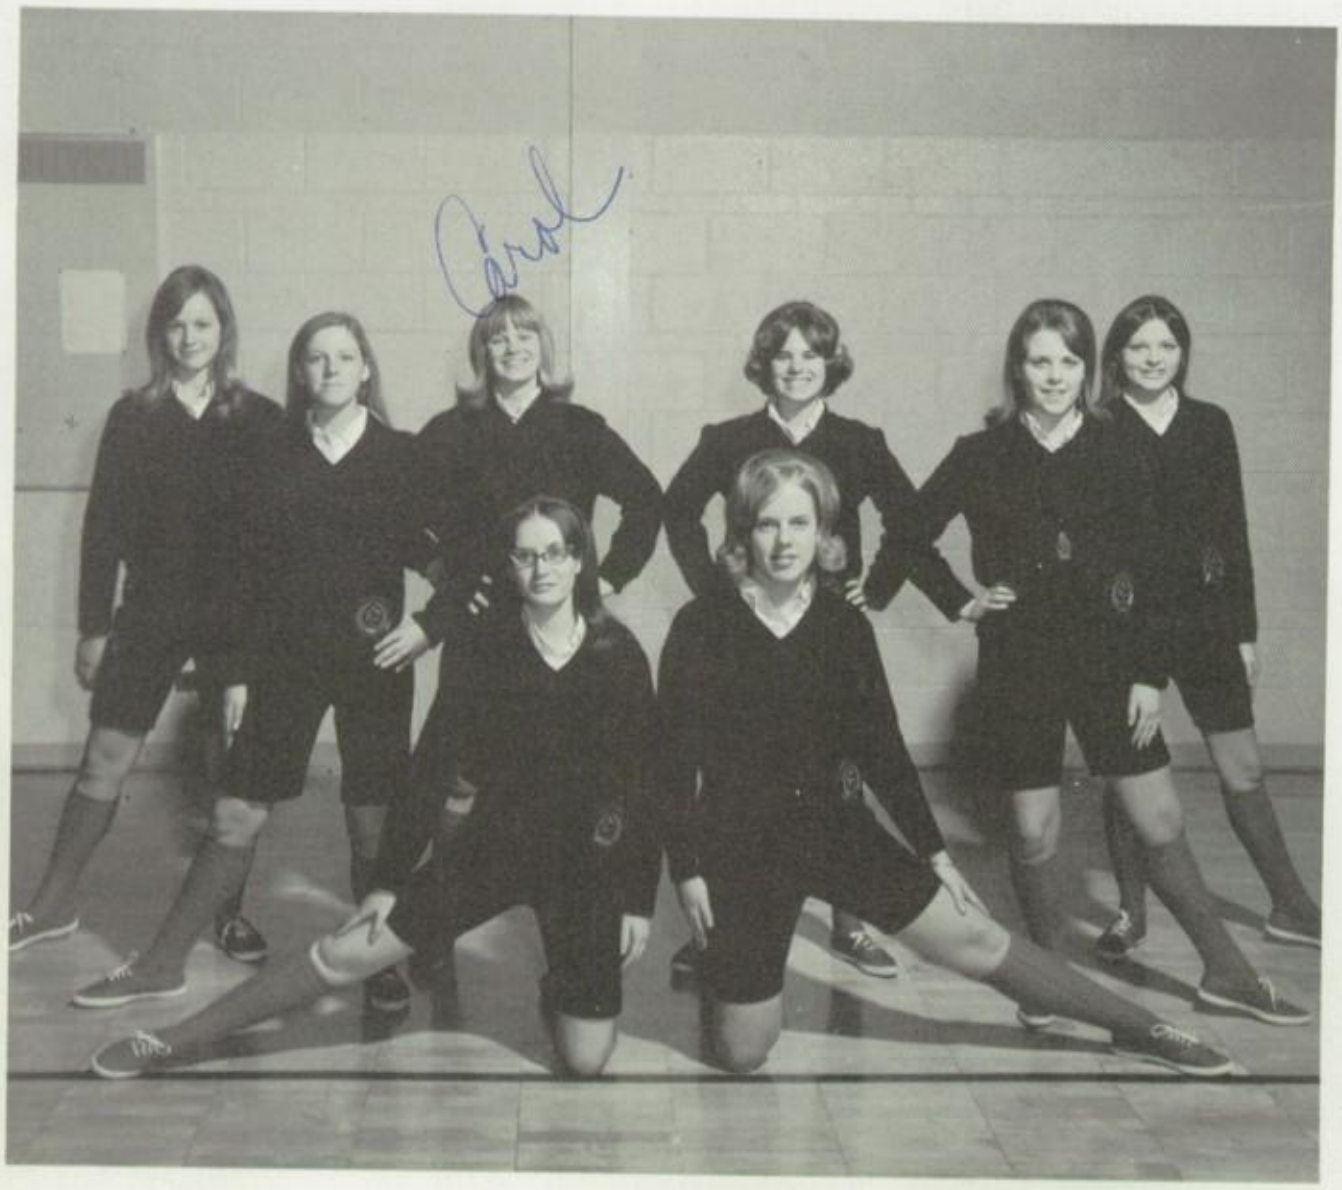
Card Girls



Gymnastics

The Gymnastic Card Girls consist of eight girls from our Gymnastic Club. These girls are required to have a Gymnastic patch in order to be elected a card girl. The eight girls take turns at different jobs such as handing out programs, keeping score, and carding for the Fresh-Soph and Varsity meets. By carding, it is meant that the girl sits next to the judge and relays his score to the scorekeeper and announcer. Each of the girls are required to attend all home gymnastic meets, if possible, and they all try to attend the away meets.

Through it, students have an opportunity to participate in the governing of the school, and to have official representation in their student government. The council consists of 26 members.

Their purpose is to stimulate better relations among students, and faculty and administration. To encourage more student participation the student council has formed a House of Representatives whereby each guidance group elects one member to represent them.

S.S.O.

The Student Service Organization acts as a training program for young adults. They serve the school by accepting and carrying out responsibilities and leadership.

S.S.O. is under the direction of L.F. Rosenquist. The executive board members are John Hagen, Jeri Traser, Randy Davis, Marty Bachman, Paulette Torkelson, and John Pleviak.

Each day there are 400 students who serve as study hall officers, chairmen and secretaries, assistants, receptionists, S.S.O. office secretaries, and cafeteria monitors and workers. The chairmen and secretaries of Lincoln-Way are responsible for 86 study halls daily.

These students who work for S.S.O. volunteer in the spring and they are selected prior to the opening of school in the fall.

Lincoln-Way Concert Band Takes an Active Part in Service to the Student Body

Band

Lincoln-Way's band does much to promote school spirit throughout the school year, particularly during football and basketball seasons. The band appears at all home football and basketball games, and provides additional inspiration at our pep assemblies. Highlight of the fall sport season was a trip to Northwestern University where the band combined with over 5,000 other high school bandsmen in Northwestern's annual band day. The concert band made its first appearance of the year at the Christmas concert presented by both the band and mixed chorus to a capacity audience. January 28th was the date of the Annual Anniversary Concert when the L-W band honored all former band members. Our band was especially honored this year by having Arnold Gregory, senior trombonist, selected to take part in a select all-state band that will tour Europe for 10 days and will present concerts at the International Society For Music Education Biennial Conference. The band will have several concert appearances this spring, and are planning a five day concert tour to the St. Louis area at the close of the school year.

We Try, Yes We Do Try! !

Squire '68

The "think" generation of today must be able to convey its ideas in an intelligent manner. We hope our Squire is this source of communication between students and the faculty.

The staff is chosen carefully, beginning with the editor. Mr. Steed has his class give an indication of their choice by secret ballot. He then checks the records of the most capable people. Recommendations from past teachers help in character reference. The third week of school discloses the results. This year's Squire is headed by co-editors picked by class vote who share equally the prospect of producing a school newspaper. Terry Erickson and Anita Kahl work together with eight page editors in laying out the Squire.

Articles are obtained by reporters and checked with the appropriate page editor. They are then placed in rough draft folders, waiting to be typed on "Junior". "Junior" is the journalism typewriter — very temperamental, but extremely valuable. By use of his 'half spaces' we are able to give our readers an even right margin.

The page editors, two for each page, are chosen through voting done by the entire class. They are then responsible for the page make-up of their particular page.

Page make-up is the hardest task. Placing articles so that they are not crooked and will not take up five columns of space takes practice.

We also have exchange editors who send the Squire to various surrounding schools.

Aegis Staff

Bruce, Jean, and Shirley get crosseyed going over the final layouts while Rosanne pouts because she has to type.

The Statue of Liberty sheds its light on us all.

Debby is typing and typing and typing and Terri tries to find just the right picture.

We're always busy

Once a month comes the mad rush to meet the deadline.

Aegis '68

Where's all the noise coming from sixth hour? Perhaps these comments will give you an idea.

"Go get a typewriter!" "Shirley, is that layout done?" "Bruce, type this. Hurry!" "No, Colleen, not the chicken foot!" "I can't think of anything to write." "Where's my index?" "It has to be done by the end of the hour!" "Nancy here are some more pictures to crop." "Where's an eraser?" "Well, don't ask me, you're supposed to know something." "I've told you a million times to bleed the pictures." "Well I didn't know I was supposed to do it."
